From us... to You...

Welcome to this academic year at shaanthy school! We hope this message finds you all in good health and high spirits as we embark on a journey of learning, growth, and exploration together here at Shaanthy.

We started this year with thrilled hearts to have our halls filled with the buzz of excitement and the eager footsteps of our students in our corridors. It was a pleasure to see familiar faces returning and equally exciting to welcome new members to our school community. We extend a warm welcome to all our new members of staffs, students and their families, and we look forward to getting to know each and every one of you.

As we embark on this exciting journey together, we want to express our gratitude to our dedicated staff, parents, and students for their unwavering commitment to education. Your enthusiasm and dedication continue to inspire us, and we look forward to another remarkable year of learning and growth.

Regards,
Shaanthy School

What's New

School-FM

In a bold leap forward, we are excited to announce the launch of H₂OS, a platform that aims to transform the way students engage with learning. It's a dynamic blend of information about daily events, specialty of the day, weather report, health tips and other interactions, all tailored to enhance the educational experience with diverse content. The members of Literary clubs(English,Tamil & Hindi) host our FM in daily basis and they have also taken up the Newsletter publication.

Observatory

We are also happy to announce the launch of the brand-new observatory room equipped with two powerful telescopes which have a wide range lens to cover till the Saturn's rings. We have hosted two stargazing events which ignited the passion for stargazing and space exploration among students of all ages.

Language Lab

Our school is gearing up to launch a language lab. It is a specialized learning environment designed to enhance the teaching and learning of languages. The Language lab uses technology and audiovisual aids to facilitate language acquisition, practice, and assessment In a controlled environment where students can improve their language skills.

Photography Club

The members of Photography club exclusively cover all the school events and Celebrations. Majority of the pictures in this newsletter are sourced from our school Photography Club.

Inside Shaanthy

Parent Orientation Program

This year's Orientation programme for new parents was carried out successfully in all the campuses in the first week of June. The Parents of KG students were oriented on the 12th of June and the parents of S2 and above were oriented on 13th June. These sessions were a huge success in which the parents got a glimpse of our school and its functionality.

School Reopening day

Shaanthy reopened on the 14th of June and the students were warmly welcomed to the new academic year by the Principals at all campuses.

School Clubs

Martin Luther King Jr. once observed that the aim of good education is "intelligence plus character." We are pleased to announce that this year our school has relaunched the clubs which were inactive during pandemic. We are looking forward to enthrall, enhance, and empower our students with a variety of abilities with our various clubs.
