

### From the Clubs

Greetings from the vibrant world of our school clubs! As we have inaugurated most of our clubs in the previous month of June, this month our clubs have stepped into lots of activities, we're excited to share updates, achievements, and upcoming events with you. Whether it's the Literary, arts, sports, or community service, our clubs are buzzing with energy and creativity. Stay tuned for inspiring stories, and don't miss out on the opportunities to get involved!.

### Club Events

#### Kutty Cops Inauguration:

The inauguration of the Kutty Cops at Shaanthy school - ICSE marked a pivotal moment in fostering awareness and responsibility among students. On 5<sup>th</sup> July with a vibrant ceremony the club was inaugurated by our esteemed chief guest Mr. Jayachandran Deputy Superintendent of Police. Emphasizing the critical importance of Teacher's role in our society, Mr. Jayachandran articulated the need for disciplined driving habits and respect for traffic regulations. Stressing the power of education and advocacy, he highlighted the club's potential to influence broader societal change through peer-to-peer influence and awareness programs.

On July 6, 2024, the club inauguration and Road safety awareness Programme took place. Mrs. Loyola Innacy Mary-Traffic Inspector Udumalpet was the chief guest for the Kutty Cops Club event, and she delivered an inspiring speech about road safety. She emphasized the importance of following traffic rules, wearing seat belts, and staying alert while driving. She also commended the efforts of the club members in promoting road safety awareness and encouraged them to continue their good work in making the community safer for everyone.

## Interact Club Inauguration

On 20<sup>th</sup> July, The Interact Club of our school installed its new office bearers of the year 2024-2025. The Club was installed by The President of Rotary club of Pollachi - Rtn. Sivanadiyan Sabari Kannan and Secretary cum Interact Committee Chair - Rtn. PHF R.K Praveen Raju. The chief guests emphasized the pivotal role of the Interact club and praised the school's commitment to providing platforms for students to develop into future leaders. By actively participating in the club's activities, students not only contribute to societal betterment but also enhance their ability to lead and inspire others. Our School Correspondent Mr. Balaji Arun Kumar during his felicitation address, spoke passionately about how these activities cultivate empathy and how such experiences are invaluable in shaping well-rounded individuals.

## Thirst Dayz – 20 Questions 4-7-2024

"20 Questions" activity was a fun and interactive session. Students took turns guessing a hidden object or person by asking yes-or-no questions. This game enhanced critical thinking and questioning skills while fostering teamwork and quick decision-making. Everyone enjoyed the challenge and the collaborative

## Saturday Speaking Spree – TED Talk 6-7-2024

TED Talk activity was a dynamic event where students presented on various topics, showcasing their research and public speaking skills. The session fostered intellectual engagement and encouraged deep discussions. Attendees left inspired by the diverse ideas and effective presentations, highlighting the club's commitment to promoting thoughtful dialogue.

## Tuesday Talkathon – JAM 9-7-2024

JAM will be a recurring event every week. Each session allows students to practice impromptu speaking on diverse topics, improving their confidence and articulation. This consistent practice has significantly boosted their communication abilities and overall club engagement.

## Thirst DayZ – Word Association 11-7-2024

word association activity was a lively session where students quickly responded with related words to prompts. This exercise enhanced their cognitive flexibility and creativity while fostering a fun, interactive atmosphere. Participants enjoyed the fast-paced nature of the game, which also strengthened their teamwork and spontaneous thinking skills.

## Tuesday Talkathon – JAM 16-7-2024

Due to regional zonal matches most members weren't able to show up, Yet the club was active and most students who didn't go for sports showed up and honed their skills.

## Thirst DayZ – Word Sneak 18-7-2024

"Word Sneak" activity was a hit, where students subtly incorporated assigned words into conversations. This engaging exercise improved their verbal creativity and adaptability. Participants enjoyed the challenge of blending their words seamlessly, which enhanced their public speaking skills and quick thinking in a fun, collaborative environment.

## Harmonic Heights of Shaanthyans – Upgraded 19-7-2024

Club's FM station has been upgraded with new podcast microphones and a Yamaha mixer, enhancing audio quality for student productions. These improvements enable students to produce professional-sounding broadcasts and podcasts, offering a richer, more immersive learning experience in media production & broadcasting

## Saturday Speaking Spree – Debate 20-7-2024

Debate on "Is Technology Making Us Less Intelligent?" was insightful and engaging. Students presented compelling arguments for both sides, exploring technology's impact on cognitive skills & information processing. It encouraged critical thinking and in-depth analysis, with participants gaining a better understanding of technology's role in daily life.

## Cultural Weekenza – Voice Out 22-7-2024

Voice out – one of the events of Cultural Weekenza provided a favourable situation for our club members, where they had to voice out in front of a huge gathering of 150+ students. Our students blazed out their skills and secured First Second and Third places in the event and by doing so They actually made the entire club win

## Tuesday Talkathon – JAM 24-7-2024

## Science Club

In the last week of July, Shaanthy School hosted the latest edition of Aura, our much-anticipated mini science fair. This event, held three times a year, serves as a preparatory platform for our grand annual science fair, Krea. Aura is where our young scientists begin their journey, exploring the wonders of science through hands-on experiments, creative projects, and interactive displays.

This edition of Aura showcased a vibrant array of projects, reflecting the students' curiosity and passion for discovery. From innovative solutions addressing real-world problems to imaginative explorations of scientific concepts, the fair was a testament to the budding talent within our school.
